

Year 1 Curriculum Newsletter Summer Term 2.

Dear Parents and Carers,

Please have a look at our class curriculum for the coming term...

English:

This term, we will continue on our exciting Curious Quests. We will read lots of fantastic books and find out what happens to our Faithful Friends. We have been leaving lots of notes for Professor Klunk about how to get the fairies to help the Faithful Friends. Our books this term will include a wide range of poetry.

Maths

This term the children will be learning all about position and direction, testing our knowledge of quarter and half turns, left and right. We shall also be exploring time and money. We shall further deepen knowledge of place value increasing confidence to tackle numbers to 100!

Science

This term, in science, we will continue further monitoring and recording the weather, keeping a close eye on our new weather vane and rain gauge! We will conclude our seasonal observations by noticing changes to the world around us happening as we approach summer!

Geography

We will learn all about human and physical features by comparing Kent to Australia! We will also learn about the similarities and differences in our cultures, lifestyles, features, flora and fauna.

RE:

In RE this term we shall be asking and answering questions regarding special or sacred places. Why are they special or sacred? Who believes this?

PSHE:

We will explore what it means to be part of a family and understand all families are different. The children will learn about **Article 12**, The Right to be listened to and that my voice is important.

Music:

The children will sing, keep a beat, explore rhythm and pitch, developing confidence and enjoyment in performing and listening.

Computing:

We will explore data handling, using different pieces of technology to represent data, collect and record data and creating a database.

Art:

In Art we shall be exploring clay to create our own small tile. We shall make our own air dry clay and experiment with printing with natural materials. We shall also be learning all about the warp and weft with an introduction to weaving. We shall use a variety of threads and materials to create a seasonal weaving.

PE:

This term, we will have two PE sessions per week with our specialist teachers. The children will have an exciting lesson with the sports coaches and enjoy dance with Mrs Selwood.

If you have any questions at all, please speak to us after school or via email.
The Year One Team

This term, PE will take place on **Wednesday afternoons and Thursday mornings**. Children should bring their **named** PE kit, consisting of shorts, joggers, trainers, t-shirt and jumper, in at the start of term and leave it at school; we will send it home if it needs a wash. As always, it would be fantastic if waterproofs and wellies could also stay at school, allowing children to enjoy outdoor learning in all weather!
